

Midtown Parking Deck

The top level of the Midtown Parking Deck has 100 parking spaces. There are 80 parking spaces available for daily and hourly paid parking from 7:00 a.m. to 5:00 p.m. Monday through Friday. Parking is free nights and weekends. The top level has been designated as a test for paid hourly parking by the public and is controlled by a pay by space pay station.

Unreserved parking permits allow customer's access to parking on Levels B through E in any valid parking space except for handicap spaces and reserved spaces. Parking in a handicap space requires a handicap hang tag or license plate.

The Parking Manager may provide for a limited number of reserved spaces on levels B through E consistent with market demand and space availability.
